Annual Gender Sensitization Action Plan

In order to advance justice and equality in our nation, educational institutions are essential. Meghna Institute of Dental Sciences objective has always been to promote equity through education. We assist the development of diverse talent. We pledge to serve as an example for the next generation and to address any injustices that may be present. Meghna Institute of Dental Sciences, through its energetic and efficient faculty, staff and student programmes, will annually look into the following:

- Health and Hygiene of female students and staff.
- To recognize and represent multi talents of women.
- Conducting regular awareness-raising activities among students and staff.
- Promoting communications with respect to women rights and Gender equality.
- To raise awareness among females regarding various social issues concerning women.
- Faculty members promote working together, fair representations for leadership roles, facilitate impartial participation in classes.
- Committee meetings and Mentor - mentee system provides path for, having open and closed sessions with faculty members of the appropriate gender for related scenarios, complaints and counseling during class hours.
- Promoting Entrepreneurship opportunities and startups facilities within campus.
- A network of gender equality advisers facilitated by our Gender sensitization cell.
- Balanced gender quota in hiring committee.
- To promote a cultural respect and equality for female gender.

- To organize awareness programs on gender sensitization.
- The provision of opportunities and programs for girls and women to be financially, mentally and emotionally empowered to promote their growth as individuals in their own right.
- To conduct seminars and workshop to impart knowledge of opportunities and tools available and train the women.
- Arranging seminars to create awareness on the economic, social, political and legal rights of women.
- Organizing different activities to make women aware of their health, sports, self-defense etc.
- To highlight the importance of spirituality, health, hygiene and safety.
- Celebration of International Women's Day on March 8th, every year.
- To inculcate entrepreneurial attitude among young girls, scientists at the earliest so that they can be "job providers" rather than "job seekers".
- Counseling services for resident and non-resident students.
